Royal Purple To Handle Registration for T.B. Clinic

The Royal Purple Lodge have volunteered to undertake the local canvassing for the Mobile Chest X-ray TB unit to be held here soon. The town has been divided into sections by the ladies and there will be someone in each section to call on every resident for the purpose of ascertaining the number interested in taking this health precautionary measure.

The ladies are making appointments for each resident so when the unit arrives it will only be necessary for each one to report and there will be no delay in being X-rayed. Co-operation on the part of all will ensure the success of this worthy undertaking. This is not only a precautionary measure to discover the presence of TB but may show up any other chest diseases that a person may have contracted.

Mrs. N. Goulding is the general chairman for this project, while Mrs. G. Jenkins is the chairman of the Appointment committee. Mrs. H. Jones will act as advance registration chairman. Mrs. A. as volunteer workers chairman, and Mrs. J. Wavrean is press correspondent.

The town has been divided into sections with the following canvassers being assigned to each area:

East Coleman — Mesdames V.

Proc. R. Moore, J. Kullig, C. Ford and V. Fontana,
Carbondale — Mesdames A. Vasek and N. Panek.

West Coleman — Mesdames E. Rusk, D. Wavrean, A. Topak, R. Bubniak and I. McFarland.
Graftonville — Mrs. L. Trots and Mrs. H. Hotte.

Fourth Street — Mrs. E. Kostelnik and Mrs. N. Goulding.

Main Street — Mrs. J. Petuk and Mrs. B. Gelsos.

Seventh Street — Mrs. H. Jones.

Blairmore Road — Mrs. K. Raymond and Mrs. P. Bartalelli.

Lime Kiln, Sentinel and Crows Nest — Mrs. V. Coop and Mrs. I. Barattelli.

Second Street — Mrs. E. Ash and Mrs. M. Zak.

Third Street — Mrs. I. Caroe and Mrs. D. DeCecco.

Fifth Street — Mrs. A. Nelson and Mrs. C. Cornett.

Sixth Street — Mrs. H. Caroe.

Willow Drive — Mrs. E. Dugan and Mrs. L. Godfrey.

When these women call please give them your fullest co-operation as their time is valuable too, and they wish to make a success of this drive. Remember this is for the sake of your own health and all are urged to take advantage of this opportunity to have this Chest X-ray.

Mayor's Proclamation

Since our Town was born Coleman Residents have worked together to solve their problems. During the month of April we see further evidence of this as we join with the volunteers of the Canadian Cancer Society to make the annual Cancer Crusade a success.

In our hospitals and universities able men and women work tirelessly to tear aside the veil that enshrouds the mystery of Cancer, their success depends upon our efforts.

The Society also devotes its energies to provide a host of humanitarian services to those who suffer from Cancer.

Therefore, because the all-out attack being waged by the Canadian Cancer Society depends upon the support given the Society during the Cancer Crusade, I, N. E. Aboussafy, Mayor of the Town of Coleman, do hereby proclaim that the residents of this Town shall commemorate April as

Cancer Control Month

Further, I earnestly urge generous financial support for the fund raising Crusade, to the end that we may achieve the eventual goal of adding Cancer to the imposing list of formerly deadly diseases conquered by medical science.

Teachers' Institute at Hillcrest

On March 24th, Mrs. Annie Moser and her grade 7 and 8 class at Hillcrest School were hosts to the teachers of those grades in the rest of the Crow's Nest Pass, Cowley and Pincher Creek.

The morning was spent on demonstration lessons with this very responsive class. Mrs. Moser taught a language lesson on "Vocabulary Development" and organized a panel discussion on "Character Development" and organized a pupil demonstration of "Uses of Pulleys and Inclined Planes." Mr. Max Pharis demonstrated an overview lesson about "Forms of Energy" and superintendent McKay demonstrated one method of organizing a "Current Events" period.

During the afternoon the teachers held a round table discussion. Some of the discussion grew out of the morning demonstration; but the problem which got the most time was "Improving the Teaching of Written Language."

Noon luncheon and afternoon tea served by the teachers of Hillcrest School were much enjoyed. The visitors agreed that both bodies and minds had been well fed during the day's Institute. Those who attended from Coleman School were Mrs. K. Noble and Mrs. B. Graham.

Good Response to the Red Cross

Although all returns are not in, the local Red Cross campaign is going well according to expectations, and reflects great credit on the part of the high school students, who are the volunteer canvassers, and the citizens of Coleman, who have made a fine co-operative response to this worthy cause.

Cows, horses and pigs have road rights, but not dogs, which are in the same class as pedestrians — according to the Brandon, Man., authorities.

What The Town Council Did

The Coleman Town Council met on Tuesday evening in the council chambers to set up the committees for 1955.

Deputy mayors were appointed as follows: first quarter, J. Wavrean; second quarter, B. Bond; third quarter, G. Jenkins, and fourth quarter, J. Ramsay.

Finance — Chairman, B. Bond. Other members, A. Toppano and G. Jenkins.

Works and Property — Chairman, J. Ramsay. Other members, G. Jenkins and B. Bond.

Police and Fire — Chairman, G. Jenkins. Other members, J. Ramsay and J. Wavrean.

Buildings — Chairman, A. Toppano. Other members, W. Dibblee and J. Ramsay.

Health and Welfare — Chairman, W. Dibblee. Other members, J. Wavrean and A. Toppano.

Parks and Cemetery — Chairman, J. Wavrean. Other members, B. Bond and W. Dibblee.

The council, after a short discussion, decided to redeem debentures to the amount in full of \$11,500 in October of this year.

Directors for the town-owned Coleman Light and Water Co., for a two year term were elected. These being J. Jenkins and J. Ramsay.

With no other business at hand Mayor Aboussafy adjourned the meeting.

School Bd. Appoints New Committees

At a recent meeting of the School Board, the first since the election for new trustees, was held and committees for the coming year were appointed.

The three trustees re-elected to the board for the coming year were S. Penney, J. Bayon and C. Clarke.

M. Cornett was appointed as chairman, while D. Holly will be chairman of the Finance committee, with S. Penney, serving on this committee also.

C. Clarke will be chairman of the Works and Property committee, assisted by J. Bayon.

C. Clarke will also act in the capacity of Fire committee chairman, assisted by J. Bayon.

Mrs. N. Gouding was re-appointed as secretary of the board for the coming year.

The trouble with a lot of today's children, smart as they are, is that they don't smart in the right places.

Province of Alberta Golden Jubilee

This book, with its graphic picture of Alberta's 50 Golden Years will make a valuable contribution to the library of these new homes.

It will not be necessary to make application for either of these awards. Names will be obtained from the Bureau of Vital Statistics as soon as possible after September 1 and the presentations will probably be mailed early in October.

The program for honoring the Senior Citizens of the province would not be complete without an award having been made to Senior Alberta Indians. This presentation will be in the form of a bright chrome-plated medallion, symbolic of 50 years of friendship between two great races of people in Alberta.

The medallion will be embossed on both sides. One will show the radiating sun, a flowing river and beneath these, two hands clasped.

A few weeks ago on this series the presentation of illuminated scrolls to Senior Citizens of the province was discussed. That is one of the awards to be made this year. Tonight I wish to tell you of some others which are planned. In place of a Senior Citizens Scroll, Senior Alberta Indians will receive Jubilee medallions. Other presentations will be made to babies born September 1, and to couples married on that day.

Babies having the honor of being born on the 50th Anniversary of the inauguration of the province will receive a beautiful silver spoon. These baby spoons will bear the Alberta Crest and Alberta floral emblem, the wild rose. They will be made of sterling silver and engraved in the bowl of the spoon the name of the child. The spoons will be packed in an attractive box with the Provincial Crest embossed on the cover.

Couples married September 1 will receive as a keepsake a copy of the Golden Jubilee Anthology.

Eastern Star Lodge Entertains Summit Lodge Members

"The Wearin' o' the Green" was prominent at a social evening held on March 17 when members of Minerva Chapter of Order of the Eastern Star entertained members of the Summit Lodge A.F. & A.M. and their wives.

Shamrocks and green ties were presented to the ladies and gents respectively. Court whist was played during the evening with honors going to:

Ladies' first, Mrs. T. Vejprava. Ladies' second, Mrs. G. Brown.

Gent's first, Mr. C. Coover. Gent's second, Mr. J. Park.

Mr. C. Coover, as master of ceremonies, introduced a humorous skit acted by Mrs. K. Johnston, Miss L. Johnston, Mrs. G. Jenkins, Mrs. A. Wilson, Mrs. G. D'Amico, Mrs. W. Lonsbury, Mrs. A. McQuarrie, Mrs. C. Coover and Mrs. H. Welens. It was really enjoyed by all.

A musical program included solo by Mrs. K. Fowlyk, Mrs. J. Owen, Mrs. M. Dunford, Mrs. W. Lonsbury, Mrs. G. Jenkins, Mrs. H. Welens, Mr. C. Coover and Mr. A. Wilson.

Mrs. H. Welens was the program convener for the evening, while Mr. C. Coover acted as the master of ceremonies.

A delicious lunch was served to all by Mrs. M. Dunford and her committee.

Mrs. R. Whitehouse Wins Two Prizes

Mrs. Roy Whitehouse was awarded two prizes in the National Knitting Contest sponsored by the Star Weekly. One for \$500, in Ladies (evening wear) and the other for \$500 also, this time in the miscellaneous section. Mrs. N. Pryor of Frank also won two prizes of \$500 each, with Vivian Onifry and Mrs. Frank Hicks of Fernie each getting \$500 in this Contest.

in friendship. This symbolizes the pledge "As long as the sun shall shine and the rivers flow, there will be friendship between the Indians and Whites." Circumscribing this will be the words "Friendship - Loyalty - Progress". The opposite side will bear the Provincial Crest with the words "Alberta Golden Jubilee, 1905 - 1955".

The medallion will be 2½ inches in diameter and will be attached to a red, white and blue ribbon so that it may be worn about the neck.

Medallions for Senior Alberta Indians will be distributed by the Department of Indian Affairs through the Indian agents. For the Northern tribes, it is hoped they will be ready to be sent at "Treaty time", the end of April. For those in the South, distribution will be made during summer months.

These spoons, medallions and all other articles for the Golden Jubilee are being made by Alberta manufacturers wherever possible. In the case of the spoons, this order will open a new line of manufacture in the province.

I would like to remind Senior Citizens that application forms for the scrolls are now available at Municipal Offices or from the Jubilee committees. Early application will aid in their distribution, so mail yours as soon as possible.

Next week our topic for discussion will be helpful for communities wishing to plan Jubilee variety shows. Such programs require detailed planning in connection with scripts, casting, stage and make-up. Our speaker will outline the plans which the Jubilee committee has for aiding production groups in this respect. Be listening next week at this same time for the tenth broadcast in the Jubilee series.

Good evening, ladies and gentlemen.

Coleman Lions Club Entertains Blairmore Lions Club Members

A social evening was held in the banquet room of the Grand Union Hotel on Tuesday evening when visiting members from the Blairmore Lions Club paid their respects by visiting the Coleman Club.

Films shown by Lion M. Dunford were enjoyed by the assembly after which District Deputy Governor D. Thornton of Blairmore, gave an interesting address on the forthcoming Lions Club convention to be held in Calgary in the near future.

Refreshments were served by the Coleman Club, rounding out a very enjoyable evening.

Bellevue Man Draws Horse In Irish Sweep

D. Morris of Bellevue, a retired miner, has been lucky so far. He drew a horse in the Irish Sweepstakes named "Red Seal". This horse is good for at least \$1200, and may bring Mr. Morris \$150,000 if it wins.

How's your heart, Mr. Morris? Mr. Morris is not the only one known by Coleman people who has drawn a horse. D. L. McCain of Pincher Creek stands to gain by at least \$1200, and if his horse named "Sun Dew" wins, well—\$150,000 will be in his pocket.

We see a Creston man has also drawn a horse named "Mr. Linnet". We wish to see you all win, then drop around and see us. We have the time to help you spend it.

Good Luck, fellows.

The offer for the mean-eyed mule was tempting, but the old farmer shook his head. Farmer: No, sir, I don't aim to do it. If I traded him he'd figure it was a personal victory. He's been trying for three years to get rid of me.

LEGION NEWS

At last, the film of the "Grey Cup Finals" is coming to Coleman Legion, and will be shown on Thursday evening at 8 p.m. sharp. This film was filmed in color up to the half way point, but owing to adverse weather conditions the second half of it was filmed in black and white. This is an excellent portrayal of the game.

Owing to the strict time limit on this film, Mr. Crippen states that it will be impossible to show it to other interested organizations at this time.

Arrangements are being made to have this film shown to all Coleman school children, under the sponsorship of the Coleman Local UMW. I will have this film back on April 21st, and will try and arrange further showings to interested lodges.

On Friday evening, April 1st, that man with the Bingo cage will once again give you the chance to get that jackpot. This time in 65 numbers and of course you know the prize. We see the dart players are getting all warmed up for the forthcoming District Dart Competition, and while we are on the subject of darts — "How's about a Ladies' Mixed Tournament?"

You committee members look into this. It can be fun.

While we are talking about entertainment, how do you members feel about a V. E. Day Dance with the usual trimmings. As you know the last dance put on by the Ladies' Auxiliary at the birthday party was a howling success.

"Oh, my aching bones" but it was fun. Give us your ideas on this. Put them in the suggestion box. Oh, yes, while we are talking suggestion box, that last suggestion put in by the ladies is receiving consideration. We will try and have that fixed up for next winter.

We see where we are losing two of our members, darn the luck. Harry Wilton Clarke, the honorary president, and Harry McCartney, another executive member. We wish both of you fellows the very best in your new ventures. A big hand to the wonderful job being done by Sick committee chairman "Howdy Doody" Beddington, is in order. Keep up the good work, Fred.

Well, last but not least, remember the Ladies' Auxiliary grocery hamper will be drawn for on April 8th, and boy, all the good things it contains. This is all for now—see you next week.

Blairmore United Church Choir Presents Jauanita Reese

Miss Jauanita Reese, Lyric Soprano, will be presented in the Blairmore United Church, Monday April 4th, at 8:00 p.m. under the sponsorship of the Blairmore United Church Choir. Miss Reese of Portland, Oregon, has travelled extensively in United States and British Columbia. The programme will consist of three main sections, classical numbers in German and Italian, well known American songs, and closing with the beloved negro spirituals. Her pleasing personality, rich voice, and fine interpretation of music will not only provide a wonderfully enjoyable evening but will be an inspiration to all. Tickets may be obtained from any member of the Blairmore United Church Choir, Mrs. Buckna of Blairmore, or Joan Dunford of Coleman.

Alberta T.B. Association receives \$1,000

The Alberta Tuberculosis Association today announced receipt of a contribution of \$1,000 from the Alberta Civil Service Welfare Fund. This fund is created as a result of donations made by all provincial government employees and will be utilized by the TB Association on behalf of their work on a provincial basis to aid in financing the cost of additional X-ray units in hospitals for the X-ray of all admissions, organizing mass surveys through the mobile units owned by the Association and operated by the provincial Department of Health, rehabilitation of TB patients, etc. The itinerary of the mobile unit for the 1955 season is now being arranged by the director of the tu-

berculosis division, and during the spring season will conduct surveys in areas of the south including Coaldale, Pincher Creek and the Crows Nest Pass. Later surveys will be conducted on the Tofield-Chauvin line in the north. Tentative plans are being laid to conduct a survey this year in the far northern section of the province. It is in areas such as this where hospital and medical services are not so readily available that higher rates of TB incidence are found, and visits of the mobile unit are most productive in searching out undisclosed tuberculous.

Cancer and the H-Bomb

In a hydrogen bomb attack on an unidentified Canadian city of over 1,000,000 population, 49 per cent would escape death if they received advance warning and took precautions. This estimate was made a few months ago by Civil Defence administrators.

In an attack by cancer — the nation's No. 2 killer — Canadians have a 50 per cent chance of escaping death if they receive warning and obtain early adequate treatment. So Canadian Cancer Society statistics indicate.

We are informed that the government is experimenting with a warning device that could be installed in a bedroom and be set off by a change in electric current if enemy bombers approached, and that within two years, an elaborate detection system would be able to warn target cities from two to six hours ahead of an enemy bomber raid.

The Cancer Society is conducting a year-round, nation-wide program to apprise the public of the warning symptoms of that disease and how vital it is to have prompt medical attention, so that the present high death toll from this cause may be steadily cut down.

Cancer often gives early warning by one of seven common danger signals which can be easily observed by people generally. But to detect some of its sneak attacks in an early stage the observers must be physicians.

Millions of dollars are being spent by the government for super range jet planes and guided missiles of tremendous power, as a defence against hydrogen or the atomic bomb air raiders.

In contrast the Cancer Society is seeking the comparatively modest total of \$2,000,000 in its annual educational and fund-raising crusade, while preparing for a knockout offensive against cancer by supporting research and stimulating discovery of new and more effective medical weapons against cancer.

We feel sure no one in this community will want to shirk the opportunity to contribute and thus play a part in continuing the national Society's campaign to control this deadly, aid patients and carry on both professional and public education about cancer and the possibilities of cure for sufferers.

Your Activities... Is Our News

Your activities, doings, travels, etc., is our news source, and consequently what is needed to produce a decent newspaper for your town. You yell like "Hi" when we have a small paper, and wonder what we are doing. Well, we will tell you — we go to see you, or phone you, to give us some details of your activities, and you promise to see that we get them next day, and generally next day never seems to arrive. So we call again, and still the same story — this time with an excuse.

Your reporter then tries to get them from scraps of conversation that you may drop. This does not lead to an authentic account, with the results that friends, lodge and club members give you the dicken's for not printing the correct story.

We hold our tongue in cheek and apologize, stating that this will not happen again, and we mean it, with the results that when your activities are not published you wonder WHY.

Your activities are very important to the community, not only from a news standpoint, but it may involve improvements to the community, which everyone likes to hear and see. An awful lot of the news given today is of the utmost importance in advertising your lodge, charity drives, social events, and many other events in carrying on your activities.

So, FOLKS, come on and help yourselves as well as helping us. — As you may know a small newspaper is limited in the number

PHONING 3709 or 3705 or by writing it down, and leaving it in our mail box at The Journal. In the case of the reporter calling upon you, give him all the details that you can remember, he is qualified to write it up, and you may rest assured that I will give you all the co-operation possible.

SO COME ON, FOLKS, give us of staff it can hire, either full-time or part-time. We have no large news coverage service at our disposal for our town, and therefore must depend upon you, the people, to volunteer a little of your time in telling us what you have done. It is not always a possibility for your reporter to attend your events, and he in turn must rely upon your assistance.

Here are a few of the things that you can do to help — in sending in news, please have it in our hands NOT LATER than Saturday evenings prior to the next

edition. This can be done by your activities. We will do right by you.

OF MANY THINGS

IT PAYS TO ADVERTISE

The other day I had lunch with the general manager of one of Canada's largest advertising agencies. He told me an amusing thing about how his company got its start.

"Our agency was started by two young livewires who really believed in advertising themselves. They had one good account, but they wanted a great deal more. They took a look at what their competitors were doing — and suddenly they got a bright idea!

"They noticed one thing about the old established agencies. Many of them were so smug that they, themselves, were not bothering to advertise. So our two bright young men got busy. They drafted several advertisements about their own advertising agency. In this way, they proved that they really believed in advertising themselves — and they showed themselves to be bright and alert."

That agency, by the way, still advertises regularly. It grew to be one of the biggest agencies on the continent, and will probably continue to hold its envied position. The president of the company says that he does not regret a single nickel that they have spent to advertise themselves. In fact, they consider the money put into advertising as a capital expenditure, and they show it that way on their books. If the agency is ever sold, the buyer will pay the full price of every ad ever purchased.

I have often noticed that by reading the advertisements in a weekly paper, I can pretty well tell you which merchants are successful. Almost without exception, the successful merchant appears, in his home paper, week after week, without letup. He knows that the money he spends on advertising adds to the value of his business if he ever desires to sell it. He knows that even when times are bad, the store that has the goodwill of the neighborhood will somehow weather the storm. He understands that each succeeding advertisement accumulates at compound interest over the years.

There is an old saying that goes, "If you're business isn't worth advertising — advertise it for sale!" I firmly believe that is the truth.

What Coleman Can Do For Jubilee Year

With the funds released to the town of Coleman to celebrate Alberta's Golden Jubilee year, many suggestions have come forward, and the one that stands outmost in our minds is the one regarding our park. It is our belief that a more worthy project could not be found. Let's take a look at our park area next to the curling arena, with the Lions Club doing extensive work on the south end, and with Town Park committee planning to plant grass over the rocky area, our thoughts turn to the area farther back. With trees growing in their natural state, providing plenty of shade, the surrounding area needs only to be cleared of debris, benches built, a barbecue pit, and an open air pavilion built of logs with a suitable floor for dances, which could be used for Band concerts, etc., in the summer time. With facilities of this kind dances could be held for our teen-agers. Band concerts on Sunday afternoons. These are just a few of the ideas that the committee could work on, other facilities can be provided actually there is no limit as to what could be done if we all swing behind this project. So come on Coleman, let's do something that will be a pride and joy to our town in years to come. We are not closed down yet and I don't believe we ever will be.

Salvation Army Appeal

MONTREAL — Salvation Army leaders are facing "the biggest expansion program in the movement's history in Canada," Air Marshal W. A. Bishop, V.C., C.B., D.S.O., M.C., D.F.C., E.D., L.D., said today in announcing dates of the 1955 National Red Shield Appeal which will begin Monday, May 2 and run to Monday, May 23rd.

Being pledged to such a vast expansion in buildings and services meant, the Air Marshal said, that every Salvation Army Appeal for future years must reach its objective. Not only must capital commitments be redeemed, but continually increasing maintenance costs must be met.

Air Marshal Bishop, who is the chairman of The Salvation Army National Advisory Board, noted that this year The Salvation Army is 90 years old. The Movement, he said, has grown up with Canada, until citizens in all walks look upon it as a "necessary and appreciated" part of Canadian life. He indicated his confidence in the success of the 1955 Appeal and urged all Canadians to assist either by canvass or contribution. Theme of this year's Appeal

will be "The Open Door". That, declared Air Marshal Bishop, aptly describes The Salvation Army's attitude to human need.

Advertising...

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel — proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.
